

DERMAHARMONY 5% BENZOYL PEROXIDE CLEANSING BAR- benzoyl peroxide soap
D3 Development, Inc.

Dermaharmony 5% Benzoyl Peroxide Bar

Drug Facts

Active ingredient

Benzoyl peroxide 5%

Purpose

Acne medication

Use

for the management of acne

Warnings

For external use only

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if irritation becomes severe.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- using warm water, wash affected area for 1-2 minutes
- rinse thoroughly and pat dry with a clean towel
- start with 1 application daily, then gradually increase to 2-3 times daily if needed or as directed by a doctor
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor
