

ELECTRUM NUMB FOAM- lidocaine hci soap
RENU LABORATORIES, LLC

Electrum Numb Foam

Uses

can be used instead of soap and water to help clean minor cuts, scrapes, and burns.

- For the temporary relief of discomfort and pain associated with dermal procedures such as tattoo removal, tattoo, dermarolling, electrolysis, microblading and piercing.
- Temporarily relieves pain and itch while helping prevent infection

Directions

- **Shake Well before each use.** Apply 2 to 3 pumps of foam soap and gently rub into skin. Leave it on for 5 to 10 minutes. Rinse off gently with running water or wipe with a clean paper towel. Use before, during and after the procedure. Keep bottle tightened to keep product fresh and effective. Adults and children 2 years old and older. Use to clean minor cuts, scrapes and burns by thoroughly washing with water. Rinse and air dry. Use no more than 3 times a day.
- Children under two years of age, ask a doctor

For external use only

- avoid contact with eyes
- do not exceed recommended dosage unless directed by a doctor

Do not use

- in the eyes or apply to large areas of body
- longer than 1 week unless directed by a doctor
- in large quantities particularly over raw surfaces or blistered areas
- ask a doctor before use if you have deep or puncture wounds, animal bites, or serious burns

Stop Use and ask a doctor if

- condition worsens or symptoms persist for more than 7 days or clear up and occur again within a few days.

Inactive Ingredients: Allantoin, Aloe Barbadensis (Aloe) Powder, Arnica Montana (Arnica) Extract, Caprylyl Glycol, Cocoamidopropyl Betaine, Deionized Water, Disodium Cocoamphodiacetate, Glycerin, Hexylene Glycol, Phenoxyethanol, Sodium Chloride.

Keep out of reach of children:

If swallowed, get medical help or contact a Poison Control Center right away.
