When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use sunscreen
- avoid contact with the eyes, lips, and mouth. If contact occurs, flush thoroughly with water.
- avoid contact with hair and dyed products, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration .

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide.

Stop use and ask a doctor if

- irritation becomes severe .

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.
