Aidarex Pharmaceuticals LLC

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

DRUG FACTS

Active ingredient (in each tablet)

Bisacodyl 5 mg

Purpose

Laxative

Uses

- relieves occasional constipation
- generally produces bowel movement in 6-12 hours

Warnings

Do not use

- for longer than one week
- when abdominal pain, nausea or vomiting are present
- in children under 6 years of age
- in persons who cannot swallow without chewing

Ask a doctor before use if you have noticed a sudden change in bowel habits that lasts over two weeks

Ask a doctor or pharmacist before use if you are taking any other drug. Take this product two or more hours before or after other drugs. Laxatives may affect how other drugs work.

When using this product

- do not take dose within one hour of taking an antacid or milk
- you may experience abdominal discomfort, faintness and cramps

Stop use and ask a doctor if

- you have rectal bleeding
- you fail to have a bowel movement after use of this product

These may indicate a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control

Center right away.

Directions
