Kids' Senna Laxative

Keep outer package for complete product information

Drug Facts

***Active ingredient* * (in each tablet)**

Sennosides 3 mg

Purpose

Laxative

Uses

- relieves occasional constipation (irregularity)
- generally produces bowel movement in 6 to 12 hours

Warnings

Do not use

- longer than one week, unless directed by a doctor
- when abdominal pain, nausea or vomiting are present

Ask a doctor before use if the child has a sudden change in bowel habits that persists over a period of 2 weeks.

Ask a doctor or pharmacist before use if the child is taking any other drug. Take this product 2 or more hours before or after other drugs. Laxatives may affect how other drugs work.

Stop use and ask a doctor if child has rectal bleeding or fails to have a bowel movement after use of a laxative. These may be signs of a serious condition.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away (1-800-222-1222).

Directions

Take preferably at bedtime or as directed by a doctor.

children 6 to under 12 years of age

chew 2 tablets once or twice daily

children 2 to under 6 years of age

chew 1 tablet once or twice daily

children under 2 years of age

ask a doctor before use

People over everything.

We think you should feel good about what makes you feel better. That's why we make medicine with the same active ingredients you need, but without the artificial ones you don't. It's what people deserve.
