

MANZATIN-E DIAPER RASH SKIN PROTECTANT- zinc oxide ointment
Laboratorios Zepol S.A.

Manzatin-E Diaper Rash Skin Protectant

Active Ingredient

Zinc Oxide 18%

Purpose

Skin Protectant

Uses

Helps treat and prevent diaper rash. Protects chafed skin due to diaper rash and helps seal out wetness.

Warnings

For external use only.

When using this product

do not get into eyes

Stop using and ask a doctor if

- condition worsens
- symptoms last more than 7 days or clear up and occur again within a few days.

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Change wet and soiled diapers promptly, cleanse the diaper area and allow to dry. Apply cream liberally as often as necessary, with each diaper change, especially at bedtime or anytime when exposure to wet diapers may be prolonged.

Other Information

- Store in a fresh place, preferably below 30 degrees C (86 degrees F).

Inactive Ingredients

Chamomile Flower Extract, CodmLiver Oil, in a special protective lipoid cream base, Corn Starch,

Manzatin-E* is a hypoallergenic and medicated ointment, formulated to protect skin and avoid injuries caused by the urine and the rubbing of the diaper. It fights "diaper rash" in multiple ways because it contains, in addition to its active ingredient, Zinc Oxide, and others ingredients such as Chamomile flower extract, Vitamins A, D and E and has a balanced pH for baby's skin. It is recommended to apply at each diaper change, after proper hygiene.

Formula: Active Ingredient: Zinc Oxide 18%.

Other Ingredients: Chamomile Flower Extract, Cod Liver Oil in an special protective lipoid cream base c.s.p. 100 g, Corn Starch, Tocopheryl Acetate.

Keep out of reach of children. If swallowed, get medical help or contact Poison Control Center right away.

When using this product do not get into eyes.

Store at fresh place, preferably below 30°C (86°F).
