Complexion Clearing Pads

Drug Facts

Active ingredients

Salicylic Acid 2.00%

Purpose

Acne Treatment

Uses

For the treatment of acne.

Warnings

For External use only.

- When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
Keep out of reach of children
- When using this product, rinse immediately with water if it gets in eyes.
- If swallowed, consult a physician or poison control center.

Directions

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce the application to once a day or every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Additional Information

Store at room temperature.

Meet Dr. Schweiger

Dr. Eric Schweiger is a board-certified dermatologist and nationally renowned skin care pioneer. Dr. Schweiger oversees Schweiger Dermatology Group, a leading dermatology practice in New York with over 20 locations.

After years in practice and treating thousands of patients, Dr. Schweiger observed that the majority of his patients fell into two distinct populations: anti-aging and acne. Most of the anti-aging patients were satisfied with their skin care regimens, but the acne patients were not. His acne patients felt there were no high-quality lines on the market that fully met their needs.

Dr. Schweiger made it his mission to provide these patients a better solution. Dr. Schweiger Skin Solutions is the first premium acne skincare line that provides powerful results using elegant formulations. This ground-breaking, acne-fighting system uses medical grade ingredients to refresh, refine, reform and replenish the skin.

DRUG FACTS

Active Ingredient(s): 2% Salicylic Acid

Purpose: Acne Treatment

Use: For the treatment of acne.

Directions:

- Clean the skin thoroughly before applying this product.
- Apply one pad to clean, dry skin in circular motions from forehead to neck.
- Because excessive drying of the skin may occur, start with 3-4 applications application per week, and then gradually increase to 5-7 days a week or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce the application to every other day.
- If going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both the product and ask a doctor.

Ingredients: Purified Water, SD Alcohol 40B, Propylene Glycol, Salicylic Acid, Glycolic Acid, Mandelic Acid, Polysorbate 20, Calendula Extract, Butylene Glycol, Cucumber Extract, Chamomile Extract, Aloe Baradensis Leaf Extract, Ammonium Hydroxide, Phenoxethanol, Ethylhexylglycerin

Warnings: For external use only.

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time

Do not use if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

When using this product

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips, and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently.

Stop use and ask a doctor if

- irritation becomes severe
