JOINTFLEX NightTime Pain Relief
Drug Facts

Active ingredient

Camphor (3.2%)

Purpose

Topical analgesic

Uses:

For the temporary relief of minor aches and pains of muscles and joints associated with:

- simple backache
- arthritis
- strains
- bruises
- sprains

Warnings:

For external use only.

Do not use

- if skin is irritated or damaged
- excessive irritation develops
- 12 years of age or under

Ask a doctor before use if you have

- redness over the affected area

When using this product

- use only as directed
- avoid contact with the eyes and mucous membranes
- do not apply to wounds, damaged, broken or irritated skin
- do not bandage tightly or use a heating pad

- do not swallow

Stop use and ask doctor if

- condition worsens
- symptoms persist for more than 7 days or clear up and occur again within a few days
- redness develops

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions:

Rotate the massager head to ON position and squeeze tube gently to dispense. Return the massager head to OFF position. Using a circular pattern, gently massage over the pain inflicted area using the built-in roller balls until the Emulsion Gel disappears.

adults and children 12 years of age and older:	<ul style="list-style-type: none"> • clean, rinse and dry skin prior to application • apply generously to painful muscles and joints, gently massaging until the JointFlex[®] Night Time Pain Relief Emulsion Gel disappears • repeat as necessary, but no more than 4 times a day • for optimum benefit, use daily for at least two weeks and continue to use daily thereafter
children under 12 years of age:	<ul style="list-style-type: none"> • ask a doctor

Other information:

- store at room temperature with the cap closed
- notice: because this product contains natural ingredients, color may vary
