MediBac Clearing™ Complex

Drug Facts

Active ingredient

Salicylic Acid (0.5%)

Purpose

Acne treatment

Use

For the treatment of acne.

Warnings

For external use only

When using this product, using other topical acne products at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one product should be used unless directed by a physician.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Do not use around eye area. If contact occurs, flush thoroughly with water. If irritation develops, discontinue use.

Directions

- Press 6 to 10 drops into skin before applying recommended Dermalogica Moisturizer.
