Zicam® Extreme Congestion Relief Nasal Spray

Active ingredient

Oxymetazoline hydrochloride 0.05%

Purpose

Nasal decongestant

Uses

- temporarily relieves nasal congestion due to:
 - the common cold
 - hay fever
 - upper respiratory allergies
- temporarily relieves sinus congestion and pressure
- helps clear nasal passages
- shrinks swollen membranes

Warnings

Ask a doctor before use if you have

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- trouble urinating due to an enlarged prostate gland

When using this product

- **do not use more than directed**
- do not use for more than 3 days. Use only as directed. Frequent or prolonged use may cause nasal congestion to recur or worsen.
- temporary discomfort such as burning, stinging, sneezing or an increase in nasal discharge may result
- use of this container by more than one person may spread infection

Stop use and ask a doctor if symptoms persist

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 6 to under 12 years of age (with adult supervision): 2 or 3 sprays in each nostril not more often than every 10 to 12 hours. Do not exceed 2 doses in any 24-hour period.
- children under 6 years of age: ask a doctor

To use pump:

- to open, hold the actuator to squeeze and turn cap
- hold with thumb at bottom of bottle and nozzle between fingers
- before using the first time, prime pump by depressing several times
- place tip of nozzle just past nasal opening (approximately 1/8")
- pump 2 or 3 times in each nostril without tilting your head. Sniff deeply.
- wipe nozzle clean after use
- to close, turn cap until it 'clicks'

Other information

Inactive ingredients

aloe barbadensis gel, benzalkonium chloride, benzyl alcohol, disodium EDTA, disodium phosphate, glycerin, hydroxyethylcellulose, monosodium phosphate, purified water
