Drug Fact

Active Ingredient:

Zinc Oxide: 15%

Titanium Dioxide: 10%

Purpose:

Sunscreen

Uses:

Our weightless Mineral Concealers will help get you on your way to healthier looking skin. The powder blends naturally into the skin and is so light that it works with your skin color to create a perfect color match. All of our mineral foundation contain sun protection factor (spf) 15 to help combat against aging and are 100% mineral based.

Warning:

For external use only

When Using This Product:

Avoid contact with eyes. If contact occurs, rinse thoroughly with water

Stop Use and Ask a Doctor if:

Rash or irritation develops and lasts

Keep Out of Reach of Children:

If swallowed get medical help or contact a Poison Control Center immediately

Directions:

Shake the Nature Mineral Concealers SPF 15 back and forth to get excess powder loose onto the tray. Gently glide over the powder with the Total Face Brush to grab the powder, bring your brush to the cap to work in the powder to the brush, then tap off any excess. Apply to the areas of the face that need coverage by working into the skin in a circular motion.

Other Information:
