Uses

- Temporarily relieves cold & flu symptoms.
- Provides temporary relief from respiratory symptoms such as sneezing, runny nose, nasal & sinus congestion, minor sore throat and headache.
- Also temporarily relieves body aches associated with the flu.

Warnings

Sore throat warning - Severe or persistent sore throat or sore throat accompanied by high fever, headache, nausea, and vomiting may be serious. Consult physician promptly.

Do not use for children under 4 years of age.

Stop use and ask a doctor if:

- Symptoms worsen
- Any new symptoms appear
- Fever lasts for more than three days
- Respiratory symptoms persist for more than seven days

If pregnant or breast feeding, ask a health professional before use.

Keep out of the reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

For best results, use at the first sign of symptoms of a cold or flu and continue to use for an additional 48 hours after symptoms subside.

Adults and children 4 years of age and older - Dissolve entire tablet in mouth. Do not chew. Do not swallow whole. Take one tablet at the outset of symptoms. Repeat every three hours.
