**EDX-505**

**EDX-505**

EDX-505™ is a sanitizing iodine teat dip to aid in the prevention of the spread of mastitis causing organisms.

**USE INSTRUCTIONS:**

Use full strength.

Pre-Dipping: Just before milking, make sure the teats are clean and dry. Dip each teat in undiluted EDX-505™. Allow 15-30 seconds of contact time. Dry with a single service towel

and attach milker units.

Post-Dipping: Immediately after removing inflations, dip each teat in undiluted EDX-505™.

Allow teat to air dry. Do not wipe.

Replace the solution if it becomes visibly dirty.

**Hazard statement(s):**

May be harmful if swallowed. May cause eye irritation.

**Precautionary statement(s):**

Do not eat, drink or smoke while using this product. Wear protective clothing, and eye and face protection.

Hazards not otherwise classified: None Known

**First Aid:**

General Advice: May cause eye irritation with corneal injury and result in impairment of vision.

External: if irritation occurs, flush with plenty of cool, running water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothes before reuse.

Eyes: Immediately flush with plenty of cool, running water. Remove contact lenses; then continue flushing for at least 15 minutes, holding eyelids apart.

Internal: Call a physician immediately. If swallowed, do not induce vomiting. Rinse mouth, then immediately drink one or two large glasses of water or milk. Never give anything by mouth to an unconscious person.

Inhalation of vapors: Should not occur with proper use of this product.

Most important symptoms/effects, acute and delayed: None known

Immediate medical attention and special treatment needed, if any: None known
