For temporary relieves minor pain

Warnings

For external use only

Do not use

- more than one patch on your body at a time
- On cut, irritated or swollen skin
- On puncture wounds
- For more than one week without consulting a doctor
- If you are allergic to any active or inactive ingredients
- if pouch is damaged or opened.

When using this product

- use only as directed
- read and follow directions and warnings on this carton
- do not allow contact with eyes.
- Do not use at the same time as other topical analgesics
- Do not bandage tightly or apply local heat (such as heating pads) to the area of use
- Do not microwave
- Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests this patch.

Stop use and ask a doctor if

- conditions worsen

- Redness is present
- irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few days
- You experience signs of skin injury, such as pain, swelling, or blistering where the product was applied.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children and pets

If swallowed, get medical help or contact a Poison Control Center 800-222-1222 right away.

Directions

Adults and children 12 years of age and over:

- clean and dry affected area
- carefully remove backing from patch starting at a corner.
- Apply sticky side of patch to affected area.
- Use one patch for up to 12 hours.
- Discard patch after single use

Children under 12 years of age: consult a physician
