acne solutions

Drug Facts

Active Ingredient

Salicylic Acid 2%

Purpose

Acne treatment

Uses

- treats acne
- clears acne blemishes
- helps prevent the development of new acne blemishes

Warnings

For external use only.

When using this product

using other topical acne drugs at the same time or right after use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- use hands to work into lather
- massage gently over wet skin, avoiding eye area
- rinse
- use AM and PM
- if bothersome drying or peeling occurs, reduce usage to every other day
- after acne clears, continue using for preventative care
- follow with Acne Solutions Clarifying Lotion
