

STAY AWAKE- caffeine tablet, coated
Shield Pharmaceuticals Corp

Stay Awake

Drug Facts

Active ingredient (in each liquid-filled capsule)

Caffeine 200 mg

Purpose

Alertness aid

Uses

helps restore mental alertness or wakefulness when experiencing fatigue or drowsiness

Warnings

Do not use

- as a substitute for sleep. This product is intended for occasional use only.
- in children under 12 years of age

When using this product limit the use of caffeine-containing medications, foods, or beverages because too much caffeine may cause nervousness, irritability, sleeplessness, and, occasionally, rapid heartbeat. The recommended dose of this product contains about as much caffeine as a cup of coffee.

Stop use and ask a doctor if fatigue or drowsiness persists or continues to recur.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

adults and children 12 years and over:

- take 1 tablet not more often than every 3 to 4 hours

Other information

- each tablet contains: calcium 60 mg
- store in a dry place at 15° – 30°C (59° – 86°F)
- do not use if imprinted seal under cap is broken or missing

Questions or comments?

1-800-373-6981 (toll-free)

Inactive ingredients

FD&C yellow # 6, magnesium stearate, maize starch, microcrystalline cellulose, povidone, stearic acid, Sodium Starch Glycolate, talc
