Developed with bioengineered delivery systems, this leave-onmask combines activated charcoal microparticles with encapsulatedhyaluronic acid and signal peptides to target the visible signs ofaging at the surface level, The formula works to smooth theappearance of fine lines and wrinkles, enhance skin density, andpromote a more even,radiant tone.

WARNINGS

For external use only. Avoid contact with eyes. Discontinue use if irritation occurs.Keep out of reach of children. If swallowed, get medical help or contact a PoisonControl Center right away.

PREGAUTIONS:

Keep out of reach of children. Ifswallowed, get medical help or contact a Poison Control Center right away.

Apply a thin, even layer to clean, dry skin, focusing on areas withfine lines or wrinkles. Gently pat and smooth until fully absorbed.Do not rub aggressively. Avoid facial movement for 2-3 minutes toallow the formula to set. For optimal results, use once or twice aweek or before special occasions.

HydroCharcoal Silk maskCharcoal Therapy

Developed with bioengineered delivery systems, this leave-on mask combines activated charcoal microparticles with encapsulated hyaluronic acid and signal peptides to target the visible signs of aging at the surface level. The formula works to smooth the appearance of fine lines and wrinkles, enhance skin density, and promote a more even, radiant tone.

Clinically inspired and powered by antioxidant-rich botanicals, it provides multi-layer hydration and supports skin's natural renewal process—without the need to rinse.

Apply a thin, even layer to clean, dry skin, focusing on areas with fine lines or wrinkles. Gently pat and smooth until fully absorbed. Do not rub aggressively. Avoid facial movement for 2-3 minutes to allow the formula to set. For optimal results, use once or twice a week or before special occasions.
