

CITRUCEL- methylcellulose tablet
Haleon US Holdings LLC

Drug Facts

Active ingredient (in each caplet)

Methylcellulose (a non-allergenic fiber) 500mg

Purpose

Bulk-forming fiber laxative

Uses

- relieves occasional constipation (irregularity)
- generally produces a bowel movement in 12- 72 hours

Warnings

Choking: taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting, or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Ask a doctor before use if you have

- a sudden change in bowel habits that persists for two weeks
- abdominal pain, nausea or vomiting

Stop use and ask a doctor if

- constipation lasts more than 7 days
- you have rectal bleeding

These could be signs of a serious condition.

Keep out of reach of children.

In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

Take this product (child or adult dose) with at least 8 ounces (a full glass) of water or other fluid. Taking this product without enough liquid may cause choking. See choking warning.

The image shows a stylized representation of the CITRUCEL product packaging. The background is a vibrant gradient of yellow, orange, and red, with a sunburst effect behind the product name. At the top left, the NDC number 'NDC 0135-0199-01' is printed in a small, teal font. To the right of the NDC number, the text 'Easy Flip Top Cap' is written in a bold, red, sans-serif font. Further right is the GSK logo, which consists of the letters 'gsk' in white inside an orange circle. The product name 'CITRUCEL' is prominently displayed in large, bold, green, 3D-style letters. Below the product name, the text 'METHYLCELLULOSE FIBER THERAPY FOR IRREGULARITY' is written in a smaller, teal, sans-serif font. A list of three bullet points is centered on the page, with the text in a bold, teal font. At the bottom center, there is an illustration of two orange, oval-shaped caplets with 'CIT' and '180' embossed on them. To the right of the caplets, the text '180 Fiber caplets' is written in a large, bold, teal font.
