

**DR. BUTLER HEMORRHOID TREATMENT- phenylephrine hydrochloride 0.25%,  
witch hazel 50% spray  
Beyond Health P.A.**

-----  
**Doctor Butler's Hemorrhoid Treatment Spray**

Phenylephrine HCl 0.25%, Witch Hazel 50%

Vasoconstrictor, Astringent

Temporarily reduces swelling associated with hemorrhoidal tissue. Temporary relief of anorectal itching and discomfort associated with hemorrhoids and other anorectal disorders.

**For external use only.**

**When using this product** avoid spraying in eyes, contents under pressure. Do not puncture or incinerate. Do not store at temperatures above 120F, do not exceed recommended daily dosage unless directed by a doctor, do not put this product in the rectum by using fingers or any mechanical device or applicator.

**Ask a doctor before use if you have** heart disease, high blood pressure, thyroid disease, diabetes, difficulty in urination due to enlargement of the prostate gland, presently taking a prescription for high blood pressure or depression.

**Stop use and ask a doctor if** bleeding occurs, the condition worsens, symptoms last more than 7 days or clear up and occur again within a few days, needed for longer than 1 week.

Ask a healthcare or professional before use.

If swallowed, seek medical help or contact a Poison Control Center right away.

Adults: when practical, cleanse the affected area with mild soap and warm water and pat dry. Spray the rectal area until thoroughly moist. Wipe off excess with a tissue, gently dry by patting or blotting with a tissue or a soft cloth, apply to the affected area up to 4 times daily especially at night in the morning or after each bowel movement. For children under 12 years of age, consult a doctor.
