

**HERBALIFE SKIN PROTECTIVE MOISTURIZER BROAD SPECTRUM SPF 30
MINERAL SUNSCREEN- zinc oxide cream
Herbalife International of America Inc.**

**Herbalife SKIN Protective Moisturizer Broad Spectrum SPF 30 Mineral
Sunscreen**

Drug Facts

Purpose

Sunscreen

Active ingredient

Zinc Oxide (17.5%)

Uses

- Helps prevent sunburn
- If used as directed with other sun protection measures (see ***Directions***), decreases the risk of skin cancer and early skin aging caused by the sun

Warnings

For external use only

Do not use • on damaged or broken skin

When using this product • keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if • rash occurs

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally 15 minutes before sun exposure
- Reapply at least every 2 hours
- Use a water resistant sunscreen if swimming or sweating
- Children under 6 months: Ask a doctor
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:

- Limit time in the sun, especially from 10 a.m. – 2 p.m.
- Wear long-sleeved shirts, pants, hats and sunglasses

Other information

- Protect the product in this container from excessive heat and direct sunlight

Información del medicamento

Ingrediente activo	Propósito
Zinc Oxide (17.5%)	Protector Solar

Usos

- Ayuda a prevenir las quemaduras del sol
- Si se usa según las instrucciones, junto con otras medidas de protección solar (ver **Instrucciones**), reduce el riesgo de cáncer de piel y el envejecimiento prematuro de la piel causado por la exposición solar

Advertencias

Para uso externo únicamente

No lo uses • sobre la piel lastimada o quebrada

Al usar este producto • evita el contacto con los ojos. Enjuaga con bastante agua para removerlo.

Interrumpe su uso y consulta a un médico en caso de • irritar la piel

Información del medicamento (Continúa)

Mantener fuera del alcance de los niños. En caso de ingestión, obtén ayuda médica o comunícate inmediatamente con el Centro de Toxicología y Envenenamiento.

Instrucciones

- Aplica este producto generosamente 15 minutos antes de la exposición al sol
- Aplicar por lo menos cada 2 horas
- Usa crema solar resistente antes de nadar o sudar
- Niños menores de 6 meses de edad: Consulta a un médico
- **Medidas de Protección al Exponerse al Sol.** Pasar tiempo bajo el sol aumenta el riesgo de contraer cáncer de piel y envejecimiento prematuro de la piel. Disminuye este riesgo usando un filtro solar de FPS 15 o mayor con frecuencia, y sigue otras medidas de protección como las siguientes:
 - Limita el tiempo de exposición al sol, especialmente entre las horas de las 10 de la mañana a las 2 de la tarde
 - Viste camisa de mangas largas, pantalones, sombrero y gafas de sol

Otra información • Protege el producto en este envase del calor excesivo y rayos del sol directos
