

**AMARI - silicea, zincum oxidatum cream**  
**Pacific Media Direct, LLC**

*Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.*

-----

**Amari**

**Instructions for use:**

1. Apply Amari Cream to all external genital areas not covered by a condom.
2. Re-apply Amari Cream before each sexual encounter or every two hours.
3. Amari Cream only provides external physical protection (not internal) against STD viruses - it doesn't actually kill a virus.
4. It is always a good idea to shower or bathe after sex to safely wash away any viruses that may present on your skin.

Store at room temperature. Avoid exposing it to extreme heat.

**Reminder:** Amari Cream plus a condom is highly effective in protecting against some of the most common STD viruses.

The only way to be completely protected is through abstinence. See your healthcare provider regularly.

**Manufactured For:** PMD LLC 9550 S. Eastern Ave. Suite 253

Henderson, NV 89123

**Inactive Ingredients:** Aloe Vera, Cetearyl Alcohol, Glycerine, Benzylonium Chloride, Purified Water

**Warnings:** Do not engage in sex if you or your partner has a genital lesion. For external use only. Avoid contact with your eyes. Stop using if any discomfort or itching occurs during or after use of this product. Keep out of reach of children.
