Bright beautiful and uplifted

A luminating foundation which has been formulated with a polymer to help appear to visibly lift and give firmer feeling skin. Our pro retinol complex containing lipopeptides boosts and maintains elasticity. It also contains a brightening complex to give skin a long term boost for even skin tone. Powerful antioxidants, vitamins C and E and SPF 15 help protect against the aging effects of free radicals. Minimises the appearance of age spots, pores and pigmentation.

For best results belend smoothly and evenly with your fingers or a sponge, working downwards and outwards from the centre of your face.

Hypoallergenic. Because all skin can have sensitive moments all our foundation products are hypoallergenic so they are kind to even the most sensitive skin.
