

PDI SANI-HANDS INSTANT HAND SANITIZING WIPES- alcohol cloth
Professional Disposables International, Inc.

PDI SANI-HANDS INSTANT HAND SANITIZING WIPES

Uses

To decrease bacteria on the skin

Warnings

- **For external use only**
- **Flammable. Keep away from fire or flame.**
- **When using this product** avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water
- **Do not use** in or contact with eyes.
- **Stop use and ask a doctor** if irritation or redness develops and continues for more than 72 hours
- **Discontinue use** if irritation and redness develop. If condition for more persists for more than 72 hours, consult a doctor

Inactive ingredients

aloe barbadensis leaf juice, glycerin, propylene glycol, purified water, tocopheryl acetate

Active ingredient

Alcohol 70% by volume

Purpose

Antiseptic

Keep out of reach of children

Keep out of reach of children unless under adult supervision.

If swallowed, get medical help or contact a Poison Control Center right away

Directions

- To start feed: Remove cover and discard seal from container. From center of toweled roll, pull up wipe corner; tear off first wipe for use. Twist next wipe into a point and thread through the hole in the container cover. Pull through about one inch. Replace cover. Pull out wipes as needed and snap off at a 90 ° angle. Keep cap closed to prevent evaporation.

- Wipe hands, fingers, interdigital areas and wrists thoroughly with towelette. Be sure to utilize the entire wipe surface. Allow to dry.
- If hands are visibly soiled or contaminated, use first wipe to clean hands, then discard wipe. Sanitize with a second wipe.
- Discard after single use.

Other information

Lot No. and Expiration Date can be found on canister.
