

ACNE CONTROL SERUM- benzoyl peroxide lotion
Private Label Skin Care

Acne Control Serum

Drug Facts

Active ingredient

Benzoyl Peroxide 5%

Purpose

Acne Medication

Uses

• for the treatment of acne • helps prevent new acne blemishes from forming

Warnings

For external use only

Do not use if you • have very sensitive skin • are sensitive to benzoyl peroxide

When using this product • skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration • skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time • avoid unnecessary sun exposure and use a sunscreen • avoid contact with the eyes, lips, and mouth • avoid contact with hair and dyed fabrics, which may be bleached by this product

Stop use and ask a doctor if • irritation becomes severe

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

• wash the skin thoroughly before applying this product • Apply affected area with a thin layer, avoiding eye area • Allow to absorb before applying additional products. • because excessive drying of the skin may occur, start with one application daily, then gradually increase to two times daily if needed or as directed by a doctor • if bothersome dryness or peeling occurs, reduce application to once a day or every other day • if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor
