Helps relieve and revitalizing scalp.

keep out of reach of the children

After shampooing and before drying, apply an appropriate amount to the scalp in a wet state using your fingers and massage so that it is fully absorbed. It is recommended to use it at least 3 times a week.

1. If you have any of the following side effects while using, you should stop using, and if you continue to use, your symptoms will worsen, so consult your dermatologist.

-If there are side effects such as red spots, swelling, itching, irritation during use.

-If the application area has the above side effects due to direct sunlight

2. Do not use on areas with wounds, eczema or dermatitis.

3. Precautions for storage and handling

- Be sure to close the cap after use.
- Do not store where children may reach.
- Store in a place with high or low temperature and out of direct sunlight.

4. In case of contact with eyes, rinse immediately and consult a physician.

5. People who have ever had allergies, please consult your doctor or pharmacist before use

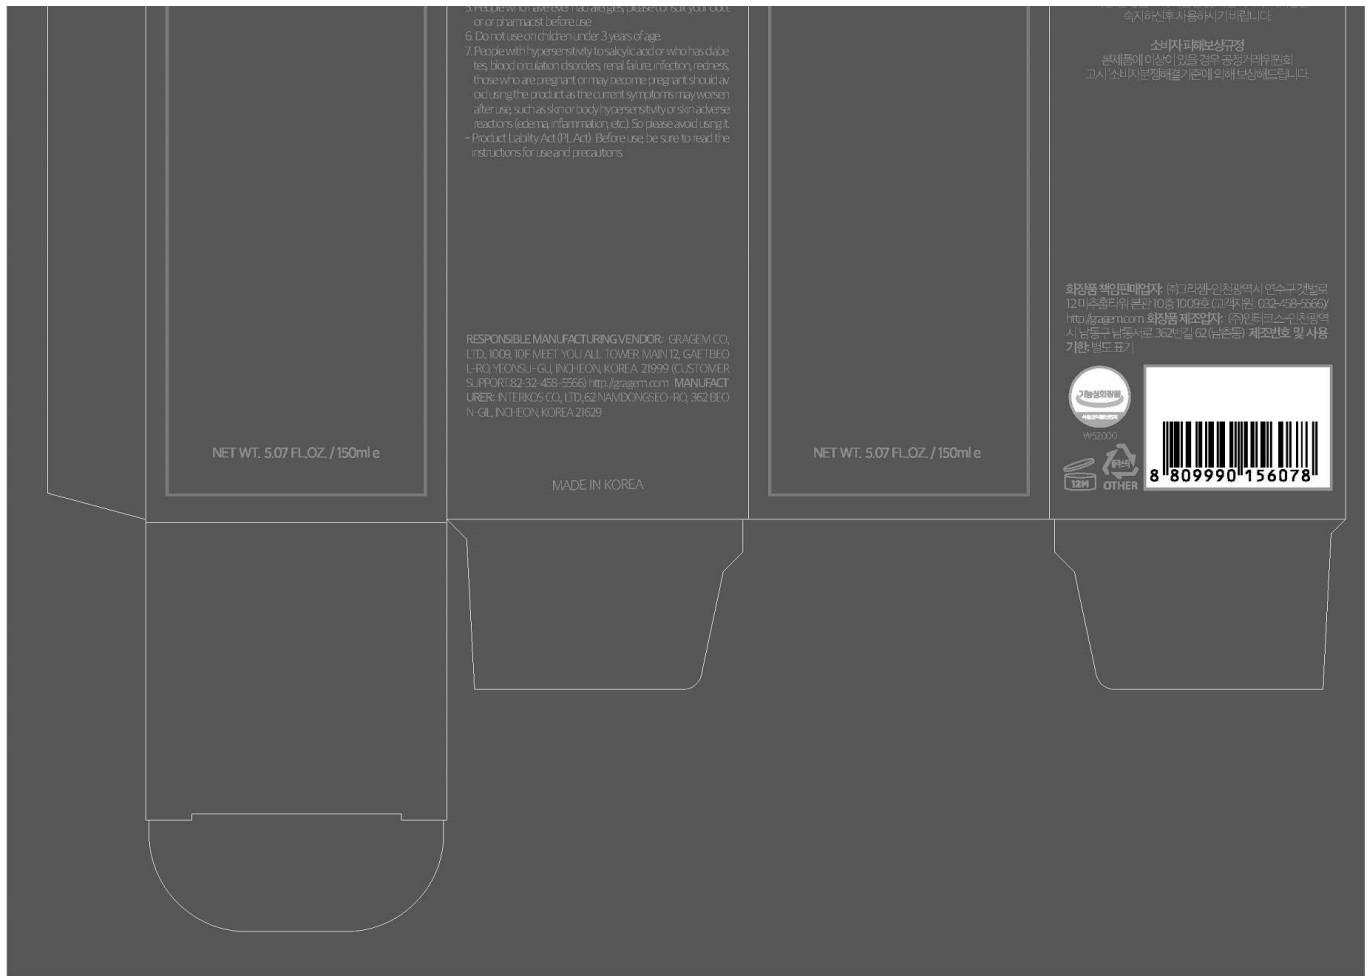

6. Do not use on children under 3 years of age.

7. People with hypersensitivity to salicylic acid or who has asthma, blood circulation disorders, renal failure, infection, redness, those who are pregnant or may become pregnant should avoid using the product as the current symptoms may worsen after use, such as skin or body hypersensitivity or skin adverse reactions (edema, inflammation, etc.). So please avoid using it.

- Product Liability Act (PL Act): Before use, be sure to read the instructions for use and precautions.
