

NIGHTTIME SLEEP AID- diphenhydramine hcl 25 mg tablet, coated
Health Pharma USA LLC

NIGHTTIME SLEEP AID-Diphenhydramine HCl 25 mg

Active ingredient (in each caplet)

Diphenhydramine HCl 25 mg

Purpose

Nighttime sleep-aid

Uses:

- relief of occasional sleeplessness

Warnings

do not use:

- for children under 12 years of age
- with any other product containing diphenhydramine, even one used on skin
- with other drugs that cause drowsiness such as antihistamines and nighttime cold/flu products

ask a doctor before use if you have

- a breathing problem such as asthma, emphysema or chronic bronchitis
- glaucoma
- trouble urinating due to an enlarged prostate gland
- heart disease

ask your doctor or pharmacist before use if you are

- taking sedative or tranquilizers or any other sleep-aid

When using this product

- drowsiness will occur
- avoid alcoholic beverages and other drugs that cause drowsiness
- excitability may occur, especially in children
- alcohol, sedatives and tranquilizers may increase drowsiness
- be careful when driving a motor vehicle or operating machinery

Stop use and ask a doctor if

sleeplessness persists continuously for more than 2 weeks. Insomnia may be a symptom of a serious underlying medical illness.

If pregnant or breast-feeding,

ask a health professional before use.

Keep out of reach of children.

Overdose warning: Taking more than directed can cause serious health problems. In case of overdose, get medical help or contact a Poison Control Center (1-800-222-1222) right away. Quick medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms

Directions

- **do not take more than directed(see overdose warning)**
- **adults and children 12 years of age and over:-** take 2 caplets at bedtime if needed or as directed by a doctor
- **children under 12 years of age:do not use**

Other Information

- Each caplet contains: Calcium 23.52 mg
- store at controlled room temperature 25°C (77°F); excursions permitted between 15-30°C (59-86°F)
- read all product information before using

Inactive Ingredients
