Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Dr. Thrower's Oily Skin Facial Astringent

Active Ingredient

Salicylic Acid 2%

Purpose

Acne treatment.

Uses

Dries and clears acne blemishes and allows skin to heal.

Warnings

For external use only.

Flammable--Keep away from open fire or flame.

When using this product skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep Out of Reach of Children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the skin thoroughly before applying this product
- Using a cotton ball, cover the entire affected area with a thin layer one to three times daily
- Avoid eye area, corner of the nose, and around the mouth area
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day

Inactive Ingredients

Alcohol denat., benzoic acid, blue 1, boric acid, butylene glycol, eucalyptus globulus leaf oil, lavandula angustifolia (lavender) oil, mentha piperita (peppermint) oil, menthol, polysorbate 20, red 33, water.
