Walgreens Nasal Relief Sterile Saline Nasal Mist 7.5oz

Active Ingredient

Sodium Chloride 0.9%

Sterile, Hypertonic Saline Solution,

Sodium Bicarbonate to adjust pH

Purpose

Nasal Wash

Uses

- Nasal congestion
- Removes inhaled irritants (dust, dirt, pollen)
- Moisturizes dry nasal passages

Directions

Adults and children 4 years and over: Use as often as needed

Children under 4 years: Consult a physician

See directions on can for complete instructions

For nasal use only.

Before use, expel a short stream of mist into the air. Insert tip of nozzle into one nostril and press down on the textured area at the base of the nozzle so that a gentle mist coats nasal passages. Blow your nose very gently to clear the mucus out. Repeat for the other nostril.

To flush and irrigate, tilt head to the side over sink. Insert top of nozzle into the top nostril, pressing down on the textured area at the base of the nozzle so that a gentle mist fills sinus passages and flows out the opposite nostril. Repeat in other nostril.

Wipe nozzle after each use.

Warnings

Warnings

Use of this product by more than one person may spread infection

Contents under pressure
Do not puncture or incinerate
Avoid spraying in eyes

Keep out of reach of children.

Other Information

Store between 59 and 86 degree F

Inactive ingredients

Purified Water
