Directions:

Move the dial opening to desired color and shake the Personal Blend Foundation SPF 15 back and forth to get excess powder loose onto the tray. Gently glide over the powder with a brush to grab the powder, bring your brush to the cap to work in the powder to the brush, then tap off any excess. Apply to the areas of the face that need coverage by working into the skin in a circular motion. When not in use, move the dial opening in between two colors so the dial opening is closed.
