

CLEAR DAYS AHEAD OIL-FREE SALICYLIC ACID ACNE TREATMENT AND MOISTURIZER- salicylic acid cream
Philosophy Inc.

Drug Facts

Active ingredient

Salicylic Acid (1.0%)

Purpose

Acne Treatment

Indications

- For the treatment of acne

Warnings

For external use only

Ask a doctor or pharmacist before using if you are using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

When using this product

- avoid contact with eyes. If contact occurs, flush thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse skin thoroughly before applying medication. cover the entire affected area with a thin layer 1-3 times daily
- because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2-3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive ingredients

water, dimethicone, polysilicone-11, butylene glycol, acacia decurrens/jojoba/sunflower seed wax/polyglyceryl-3 esters, caprylic/capric triglyceride, sodium acrylates copolymer, squalane, lecithin, oligopeptide- 10, tocopheryl acetate, trimethylpentanediol/adipic acid

copolymer, octyldodecyl neopentanoate, cetareth-20, cetaryl alcohol, polysorbate 60, ppg-12/smdi copolymer, hydroxyethyl acrylate/sodium acryloyldimethyl taurate copolymer, ethoxydiglycol, sodium hydroxide, disodium edta, o-cymen-5-ol.

philosophy

acne treatment

oil-free moisturizer

salicylic acid

- delivers breathable, oil-free hydration without clogging pores
- antimicrobial formula immediately begins to eliminate acne-causing bacteria*
- formulated with salicylic acid and oligopeptide-10 to help keep skin clear of new acne blemishes with less potential for irritation
- improves skin tone and texture, while providing oil-control for a beautiful matte finish

*based on an in vitro study

indications: for the treatment of acne.

directions: cleanse the skin thoroughly before applying medication. cover the entire affected area with a thin layer 1-3 times daily. because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2-3 times daily if needed or as directed by a doctor. if bothersome dryness or peeling occurs, reduce application to once a day or every other day. **warnings: for external use only. ask a doctor or pharmacist before using if you** are using other topical acne medications at the same time or immediately following use of this product. this may increase dryness or irritation of the skin. if this occurs, only one medication should be used unless directed by a doctor. **when using this product avoid** contact with eyes. if contact occurs, flush thoroughly with water. **keep out of reach of children.** if swallowed, get medical help or contact a Poison Control Center right away. **active ingredient:** salicylic acid: 1.0%.
