Uses

Temporary relief of minor aches and pains of muscles & joints associated with simple backache, arthritis, bruises, sprains

Provides cooling pain relief

Temporarily alleviates and suppresses cough due to minor throat & bronchial irritation associated with a cold or inhaled irritant.

Warnings:

For external use only

When using this product

Do not heat

Do not microwave

Do not add to hot water or any container when heating water. May cause splattering and result in burns.

Avoid contact with eyes

Do not apply to wounds or damaged skin

Do not bandage tightly

Do not take by mouth or place in nostrils

Do not take or give this product for persistent or chronic cough such as occurs with asthma or if cough is accompanied by excessive phlegm (mucous) unless directed by a doctor.

Stop use and ask a doctor if

muscle aches and pains worsen, or if symptoms persist for more than 7 days or clear up and occur again within a few days

cough persists for more than 1 week, tends to recur, or is accompanied by fever, rash, or persistent headache.

These could be signs of a serious condition.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

See the important warnings under "when using this product"

Adults and children 2 years of age and older:

Rub on the neck and chest as a thick layer or rub on sore aching muscles.

Cover with a warm, dry cloth if desired.

Clothing should be loose about the neck and chest to help vapors reach the breathing passages.

Use up to three times daily or as directed by a doctor.

Children under 2 years of age: consult physician.

Other Information:

Use only if seal is unbroken.

Inactive Ingredients

Citronella oil, eucalyptus oil, peppermint oil, yellow petrolatum
