

CREST BRACES CARE CAVITY PROTECTION- stannous fluoride paste, dentifrice

The Procter & Gamble Manufacturing Company

Crest Braces Care Cavity Protection Toothpaste

Drug Facts

Active ingredient

Stannous fluoride 0.454% (0.14% w/v fluoride ion)

Purposes

Anticavity, antigingivitis toothpaste

Uses

- aids in the prevention of cavities
- helps prevent gingivitis
- helps interfere with the harmful effects of plaque associated with gingivitis
- helps control plaque bacteria that contribute to the development of gingivitis

Warnings

Keep out of reach of children under 6 yrs. of age. If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 6 yrs. of age & older: Brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or physician.
- do not swallow
- supervise children's brushing until good habits are established
- children under 6 yrs.: ask a dentist

Other information

- products containing stannous fluoride may produce surface staining of the teeth
- adequate toothbrushing may prevent these stains which are not harmful or permanent and may be removed by your dentist
- this product is specially formulated to help prevent staining
- see your dentist regularly

Inactive ingredients

water, sorbitol, hydrated silica, sodium lauryl sulfate, sodium gluconate, carrageenan, flavor, sodium citrate, xanthan gum, zinc citrate, sodium hydroxide, stannous chloride, sodium saccharin, sucralose, titanium dioxide, blue 1
