Helps prevent sunburn

If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only

Do not use on damaged or broken skin

When using this product keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash occurs

Flammable. Keep away from fire or spark.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away

Directions

Apply liberally and evenly 15 minutes before sun exposure

Reapply: after swimming or sweating, at least every 2 hours

Use a water-resistant sunscreen if swimming or sweating

Reapply after swimming or sweating

Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF value of 15 or higher and other sun protection measures including:

- limit time in the sun, especially from 10a.m. - 2 p.m.
- wear long-sleeved shirts, pants, hats, and sunglasses.

Children under 6 months-age: Ask a doctor
