Clearasil
Ultra ®

Drug Facts

Active Ingredient

Salicylic Acid 2%

Purpose

Acne medication

Use

for the treatment of acne

Warnings

For external use only

When using this product

- avoid contact with the eyes. If product gets into the eyes rinse thoroughly with water.
- with other topical acne medications, at the same time or immediately following use of this product, increased dryness or irritation of the skin may occur. If this occurs, only one acne medication should be used unless directed by a doctor.
- limit use to the face and neck.

Stop use and ask doctor if skin or eye irritation develops

Keep out of reach of children. In case of accidental ingestion, get medical help or contact a Poison Control Center immediately.

Directions

- Wet face
- Dispense product into hands and massage gently onto face and neck, avoiding the delicate eye area.

- Rinse thoroughly with warm water and pat dry.
- For best results, use twice daily.

Other information

- keep tightly closed
- store in a cool dry place.

Is this the right product for me?
CLEARASIL ULTRA® Acne Clearing Scrub is a salicylic acid based formula that fights the causes of pimples to give you visibly clearer skin guaranteed, or your money back.*

How does it work?
The creamy textured scrub starts working instantly to fight 100% of acne by washing away the bacteria that cause pimples, removing dirt and oil from the skin surface and helping to unblock pores.
