Doctor Butler's Numb-It-All-Cream

Lidocaine 5.0%

Local Anesthetic

Uses

Helps relieve the local itching and discomfort associated with anorectal disorders or inflammation.

For external use only.

When using this product avoid contact with eyes, do not exceed recommended dosage unless directed by a doctor, do not put this product into the rectum by using fingers or any mechanical device or applicator.

Stop use and ask a doctor if rectal bleeding occurs, condition worsens or does not improve within 7 days, allergic reaction occurs to ingredients in this product, symptom being treated does not subside or if redness, irritation, swelling, pain or other symptoms develop or increase, or symptoms clear up and return within a few days.

If pregnant or breastfeeding, ask a professional before use.

Keep out of reach of the children. If swallowed, get medical help or contact a Poison Control Center right away.

- When practical, cleanse the area with mild soap and warm water. Rinse thoroughly and gently pat dry.
- Adults and children 12 years and older: apply externally to the affected area up to 6 times a day.
- Children under 12 years of age: consult a doctor.
