CLEAR DIFFERENCE TARGETED BLEMISH TREATMENT

Drug Facts

Active ingredient

Salicylic acid 1.00%

Purpose

Acne treatment

Use

For the treatment of acne.

Warnings

For external use only

When using this product using other topical acne drugs at the same time or right after use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- cleanse skin thoroughly before applying
- cover the entire affected area with one application daily
- gradually increase to 2 or 3 times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to every other day
