

ALCOHOL FREE ANTIBACTERIAL HAND SANITIZER- polyhexamethylene biguanide gel

Ningbo Meilei Electrical Appliance Co.,LTD

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

Polyhexamethylene biguanide 0.09% (w/w)

Medical Glycerin □ Benzalkonium Chloride □ Purified water

Health care personnel hand rub to help reduce bacteria that potentially can cause disease.

For external use only. Use with caution in people with polyhexamethyl metformin and quaternary ammonium allergies.

Do not use in children less than 2 months of age

Do not use on open skin wounds

Avoid compatibility with soap and anions, and do not share it with other detergents

When using this product keep out of eyes □ ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Antiseptic

Place enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using this product to avoid swallowing.

Place enough product on hands to cover all surfaces. Rub hands together until dry. Supervise children under 6 years of age when using this product to avoid swallowing.

Store between 5-40°C (41-104°F)

Avoid freezing and excessive heat above 50°C (122°F)
