

**CERAVE ACNE FOAMING CLEANSER- benzoyl peroxide cream**  
**L'Oreal USA Products Inc**

-----  
***Drug Facts***

***Active ingredient***

Benzoyl peroxide 4%

***Purpose***

Acne treatment

***Use***

for the treatment of acne

***Warnings***

**For external use only**

**Do not use if you**

- have very sensitive skin
- are sensitive to benzoyl peroxide

**When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

**Stop use and ask a doctor if**

skin irritation becomes severe

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

## ***Directions***

- use every morning and evening
- apply a dime-size amount to damp skin and gently massage, avoiding the eye area
- rinse well
- use wash on entire affected area one to two times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

## ***Inactive ingredients***

water, glycerin, propylene glycol, cocamidopropyl hydroxysultaine, sodium c14-16 olefin sulfonate, xanthan gum, potassium hydroxide, ceramide NP, ceramide AP, ceramide EOP, carbomer, niacinamide, glycolic acid, sodium chloride, sodium citrate, sodium hyaluronate, sodium lauroyl lactylate, sodium hydroxide, cholesterol, phenoxyethanol, propanediol, citric acid, tetrasodium EDTA, diethylhexyl sodium sulfosuccinate, phytosphingosine, ethylhexylglycerin, benzoic acid

## **Other information**

store at 20° - 25°C (68° to 77°F)

## ***Questions or comments?***

## Acne Foaming Cream Cleanser

4% BENZOYL PEROXIDE  
ACNE TREATMENT

**Clears acne pimples & blackheads, helps prevent new acne & allows skin to heal**

**Maintains the skin barrier & leaves skin feeling comfortable**

With 3 essential ceramides,  
hyaluronic acid & niacinamide

4% BENZOYL PEROXIDE

5 FL OZ (150 ml)

### CeraVe® Acne Foaming Cream Cleanser

Developed with dermatologists, this lightly foaming, creamy cleanser - with 3 essential ceramides - cleanses and helps clear acne while leaving skin feeling soft and comfortable.

This gentle, yet effective cleanser instantly dissolves dirt and oil without stripping skin of its natural moisture, helping to maintain the protective skin barrier.

Skin will look and feel smoother and more clarified.

This formula contains:

4% Benzoyl Peroxide  
Clears acne and helps prevent new acne pimples from forming

Hyaluronic Acid  
Helps retain skin's natural moisture

This formula is:

Gentle on Skin  
Does not leave skin dry or flakey

Non-comedogenic  
Won't clog pores
