SILVER SPRAY

GermProof®
 Barrier against germs!

Use to protect hands, feet, nostrils, nasal passages and inside ear canals. GermProof also promotes healthy healing of superficial cuts, lacerations, abrasions, minor burns and more.

DIRECTIONS FOR USE:

For general GermProof® protection on hands, feet and other at-risk areas, wash hands first, before applying if possible. If that is not possible apply and let dry. GermProof® will form a lasting barrier against germs over at least 10 minutes.

Applying GermProof® to a wound or other skin ailment, clean affected area first and then with water. Spray a rough to lightly cover the affected area and allow to dry. Cover with a sterile dressing if necessary. If condition worsens or does not improve within (7) days, consult a doctor.

For adults and children 5 and over. For children under 5 years old, consult your physician.
