

ARNICARE ARTHRITIS- arnica montana, harpagophytum procumbens root, harpagophytum zeyheri root cream

Boiron

Disclaimer: This homeopathic product has not been evaluated by the Food and Drug Administration for safety or efficacy. FDA is not aware of scientific evidence to support homeopathy as effective.

Arnicare Arthritis Cream

Active ingredients**

Arnica montana 1X HPUS 7%

Harpagophytum 1X HPUS 3%

The letters "HPUS" indicate that the components in this product are officially monographed in the Homeopathic Pharmacopoeia of the United States.

Purpose*

Arnica montana 1X HPUS 7% ... Relieves minor muscle pain and stiffness, discoloration from bruises

Harpagophytum 1X HPUS 3% ... Relieves minor joint discomfort and stiffness

Uses*

temporarily relieves minor joint and muscle pain and stiffness due to:

arthritis

minor injuries

overexertion

falls

repetitive motions

For external use only.

- if you are allergic to Arnica montana, Harpagophytum or to any of this product's inactive ingredients
- with other topical products for pain
- avoid contact with eyes, mucous membranes, wounds, damaged or irritated skin
- use only as directed
- dryness or irritation may occur
- do not tightly wrap or bandage the treated area
- do not apply heat or ice to the treated area immediately before or after use

Stop use and ask a doctor if

- conditions persists for more than 7 days or worsens
- symptoms clear up and occur again within a few days

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison

Control Center right away.

Directions

- Adults and children 12 years of age and older: Apply a thin layer of Arnicare Arthritis to affected area as soon as possible at the onset of symptoms up to 4 times a day. If heat or ice is applied, wait 5 minutes before applying Arnicare Arthritis.
- Children under 12 years of age: Ask a doctor.
- do not use if glued carton end flaps are open or if the tube seal is broken
- store below 77° F (25° C)
- do not use if pouch is torn or open
- dispose of 1 day after opening

acrylamide/sodium acryloyldimethyltaurate copolymer , alcohol, chlorhexidine digluconate, glycerin, isohexadecane, polysorbate 80, purified water, sorbitan oleate, sweet almond oil
