Pet MD® HYDROCORTISONE 1% SPRAY

Active Ingredient:

Hydrocortisone 1%

Inactive Ingredient:

Propylene Glycol, Denatured Alcohol, Diazolidinyl Urea, Methyl Paraben, Propyl Paraben.

Precautions:

For topical use only on dogs, cats, and horses. Not for use for animals intended for food. Avoid contact with eyes and mucous membranes. Discontinue use if skin becomes irritated or inflamed. For external use only. Keep out of reach of children & pets.

Pet MD Hydrocortisone 1% Spray helps provide rapid relief from itching caused by fleas, insect bites, dermatitis, hot spots and other minor skin irritations. The non-stinging formula is free from fragrances and dyes that could cause further irritation and also helps to reduce inflammation and redness while helping to stop the cycle of biting and scratching. Pet MD Hydrocortisone 1% Spray is safe for dogs, cats and horses and is convenient for use between baths to calm irritated skin.

Directions for Use:

Shake well. Spray directly on affected area no more than 2 to 3 times daily or as directed by a veterinarian. Do not get into eyes or nose. Do not use in areas where infection or pus is present. Not for prolonged use.

If condition does not improve after 7 to 10 days, consult a veterinarian. If redness, irritation, or swelling persists, discontinue use immediately and consult your veterinarian.

For Relief of Skin Conditions Associated with Hot Spots, Allergies & Dermatitis
