feminine cleanser

Keep out of reach of children

1. Cut the pouch and take out the pill-like contents.
2. Dissolve 1 pill in 50cc of water and use it as if massaging around the vulva.
3. When using it for the first time, it is recommended to use it every day for 2-3 days. After that, it is recommended to use once a week on average (except during pregnancy and menstrual period)
4. The effect is better if you learn the proper usage and cycle according to individual differences.

- external use only

- Be careful not to swallow

For external use only
