Purpose Antiseptic

Uses for the treatment of acne.

Warnings

For external use only.

Flammable, keep away from open flame

When using this product

avoid contact with eyes. If contact occurs, immediately flush with water

using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used, unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

Cleanse the skin thoroughly before applying medication

Moisten a cotton ball or pad

Cover the entire affected area with a thin layer 1 to 3 times daily

Because excessive drying of the skin may occur, start with 1 application daily then gradually increase to 2 or 3 times daily if needed or as directed by a doctor.

If bothersome drying or peeling occurs, reduce application to once a day or every other day.
