INK Pharmaceuticals Acne Blu Salicylic Acid Pads 90 pads

Warnings

For external use only

Flammable until dry, keep away from extreme heat or open flame

When using this product skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. Avoid contact with the eyes, lips and mouth. If contact occurs flush thoroughly with water.

If swallowed, get medical help or contact a Poison Control Center right away.

Keep out of reach of children

Keep out of reach of children

Active Ingredients

Salicylic Acid 2% Acne Treatment Pads

Uses

For the treatment of acne. Clears acne pimples, blackheads, whiteheads and acne blemishes. Allows skin to heal. Helps prevent new acne pimples, blackheads, whiteheads and acne blemishes.

Directions

Clean the skin thoroughly before applying this product. Gently wipe the entire affected area 1 to 3 times daily. Because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other Information

Store in a dry, cool place but do not freeze. Keep jar tightly closed
