Specific Beauty Clarifying Wash Acne Treatment Cleanser

Active Ingredients

Salicylic Acid 2%

Purpose

Acne Treatment

Uses

For treatment of acne

Warnings

For external use only. Do not use if you have very sensitive skin or are sensitive to salicylic acid.

When using this product -

avoid unnecessary sun exposure and use a sunscreen. Keep away from eyes lips and mouth. If contact occurs, rinse thoroughly with water. Irritation may develop such as redness, burning, itching peeling or possibly swelling. More frequent use or higher concentrations may aggravate such irritation. Mild irritation may be reduced by using the product less frequently. using this product in tandem with other topical acne treatments may increase dryness or cause irritation of the skin. If this occurs, only one medication should be used unless directed by a physician. If irritation becomes severe, or persists, discontinue use and consult a physician.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center immediately.

Directions

Wet face with warm water, apply cleanser and work into a lather, then gently massage over face in a circular motion. Avoid sensitive eye area. Rinse thoroughly and pat dry. If excessive drying occurs, use every other day. If going outside use a sunscreen.

Follow with Skin Brightening Serum and Daily Hydrating Lotion SPF 30

Evening Follow with Skin Brightening Serum and Night Treatment Complex

Rx Dermatologist designed regimen

*is not prescription strength

Acne Treatment Cleanser a salicylic acid wash gentle enough for daily use, yet tough enough to get into the pores to help reduce acne blemishes. Leaves the skin feeling soft and smooth, not tight and dry.

Specific Beauty is a dermatologist tested, designed and proven effective treatment line. The result of years of experience and expertise, it is specifically designed for multi-hued skin tones. This regimen contains products that were formulated to be used together so the final results are benefits that are clearly visible. When used as directed, Specific Beauty regimen will result in a more even skin tone, improved skin texture and leaves skin hydrated, brighter and more radiant. Perfect for all skin types.
