Yes To Grapefruit Moisturizer with SPF15

Drug Facts

Active Ingredients

Zinc Oxide (3.2%), Titanium Dioxide (2.9%)

Purpose

Sunscreen

Uses Helps prevent sunburn • Higher SPF gives more sunburn protection • Provides high protection against sunburn

Warnings:

For external use only • When using this product, avoid contact with eyes • If contact occurs, rinse with water to remove • **Stop use and ask a doctor** if rash or irritation develops and lasts • **Keep out of reach of children;** if swallowed, get medical help or contact a Poison Control Center immediately

Directions

Apply liberally 15 minutes before sun exposure. Use a water resistant sunscreen if swimming or sweating. Reapply at least every two hours. Children under 6 months: Ask a doctor.

Sun Protection Measure Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease the risk, regularly use a sunscreen with Broad Spectrum SPF value of 15 or higher and other sun protection measures including: Limit time in the sun, especially from 10am - 2pm. Wear long sleeved shirts, pants, hats and sun-glasses.

yes to.

- Paraben-free, naturally!
- Free of Petroleum and SLS

Yes to™ Grapefruit formulations blend powerful fruit acids with ingredients that help to correct skin damage, and enhance natural radiance. Use the entire collection to help correct and repair hyper-pigmentation, sun damage and age spots. We all have a few imperfections, but that doesn't mean we have to keep 'em!

GRAPEFRUIT Rich in Vitamin C and Lycopene (anti-oxidant heavy hitters), grapefruit naturally evens skin tone and enhances luminosity, promoting healthier, smoother and softer looking skin... You glow girl!

MORINGA OIL This skin conditioning moisturizer is chock-full of radiance-boosting fatty acids and vitamins A and C (and was used by ancient Egyptians...imagine that!)

PASSION FLOWER OIL This natural botanical native to the Amazon is lightweight and has a high content of natural fatty acids.
