Be careful not to swallow. Rinse your mouth thoroughly after use. Consult a doctor or dentist if gum problems occur after using this toothpaste.

Keep out of the reach of children under 6 years of age

Stop using this product and consult your dentist if irritation to gums, teeth, or oral mucosa occurs

Do not swallow. Rinse mouth with water after brushing.

Children under 6 years:

- To minimize swallowing, use a pea-sized amount. Supervise brushing until good habits are established.

- If swallowed more than used for brushing, seek professional assistance or contact a Poison Control Center immediately.

- Prevents and reduces tooth pain

- Maintains oral hygiene

- Removes bad breath

- Prevents dental caries

Directions: Apply suitable amount of toothpaste to toothbrush

Do not use for purpose other than brushing teeth. Rinse with running water in the event that the toothpaste gets in the eye and consult a doctor for adverse reactions

Store in a sealed container at room temperature {1~30°C}
