- Allows skin to heal
- Penetrates pores to clear most acne blemishes
- Dries up acne pimples
- Helps keep skin clear of new acne blemishes, acne pimples, whiteheads and blackheads

Warnings

For external use only

When using this product, skin irritation and dryness may occur if you use other topical acne medications at the same time or immediately following use of this product. If this occurs, use only one medication at a time unless directed by a doctor. Avoid contact with eyes. If product gets in eyes, rinse with water.

Stop use and ask a doctor if excessive skin irritation occurs

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally over wet skin with a clean wash cloth or body puff, concentrating on areas prone to acne.
- Rinse thoroughly and pat dry with a clean towel.
- If bothersome dryness or peeling occurs, reduce application to every other day.

Other information

- Store at room temperature
