

**IVAREST POISON IVY REMOVAL AND ITCH RELIEF- pramoxine
hydrochloride liquid
Blistex Inc.**

Ivarest® Poison Ivy Oil Removal and Itch Relief Pads

Drug Facts

Active ingredient

Pramoxine HCl 1.0% (w/w)

Purpose

External analgesic

Uses

- for the temporary relief of pain and itching associated with minor skin irritations and rashes due to poison ivy, poison oak, or poison sumac

Warnings

For external use only

When using this product

- avoid contact with the eyes
- If condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days, discontinue use of this product and consult a doctor.

Keep out of reach of children.

Directions

- Adults and children 2 years of age and older: Apply to affected area not more than 3 to 4 times daily.
- Children under 2 years of age: do not use, consult a doctor.

Other information

- To remove urushiol plant oils from the skin:
 - apply pad and wipe across affected area in one direction
 - repeat the above step using a second pad
- **DO NOT FLUSH** – after application, discard pads in trash and wash hands
- Do not use if seal is broken
