Dial Acne Control Deep Cleansing Body Wash

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne Treatment

Use

Use for the treatment of acne

Warnings

For external use only

Ask a doctor or pharmacist before use if you are

using other topical acne medications at the same time or immediately following use of this product. This may increase dryness or irritation of the skin. If this occurs only one medication should be used unless directed by a doctor.

When using this product

avoid contact with eyes. If contact occurs flush thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Use daily in shower or bath. For maximum lather, massage over wet skin with a wash cloth or body poof, concentrating on areas prone to breakouts. Rinse well.
